Receiving the Maritime Patrol Association Scholarship means much more than just a helping hand through my college financial journey, but rather, it shows me that others believe in me and are rooting for my success. That belief constantly motivates me to strive for excellence. It has also given me a sense of responsibility. I know I'm not just investing in myself but I'm honoring the extraordinary generosity of those who made this opportunity possible. I truly hope that this scholarship gift pushes me academically, allowing me to expand my knowledge in my career path. I also believe that this award instills a lifelong love of giving back to the community, which Wings Over America has faithfully portrayed. In the end, I am truly grateful and honored to be blessed with this scholarship, and I will prosper in college and after college because of the generous MPA scholarship.
