- Alo Farms, Market Staff and Horticulture Team
- HiTeen Volunteer Program

I am extremely thankful to receive the Wings Over America Scholarship for 2025. This scholarship is especially meaningful as it helps to recognize the 20 years that my Dad served in the United States Navy. Being a military child has truly helped to shape the person I am today as it has taught me the values of hard work, service, and resilience – qualities I plan to carry with me as I further my academic and professional career.

I will be attending the University of Georgia in fall 2025 to pursue a degree in Management Information Systems. This generous scholarship will help to alleviate the financial burden of college and allow me to focus more on my education and career. I am honored to be supported and recognized by the Wings Over America Scholarship Foundation and its donors. Thank you again for supporting and investing in my future, goals, and success.
