After working diligently, I am honored to have received the Maritime Patrol Association 2025 scholarship. Upon receiving this scholarship, I will be better able to financially prepare for my future, and I have more confidence walking into independence. I have proved to myself that if I set my mind on something, work hard, and continue with determination, I can accomplish any goal. Additionally, I am incredibly thankful to the Wings Over America Foundation for recognizing the service and sacrifice of military members (specifically Naval service members). They also go above and beyond by acknowledging the service and sacrifice of family members of active duty, retired, honorably discharged, and reservists. This reputable foundation has blessed thousands of Navy families over the years, and I am honored to be counted among them. After completing both high school and my freshman year of college this past March, I am excited to continue my college adventure. I am more financially stable upon receiving this scholarship, and it will bless my future abundantly.
