Major: International Politics

Academic & Extracurricular Highlights:

- Model United Nations, President
- National Art Honor Society
- Crochet Club, Founder & President
- Varsity Lacrosse
- Washington Lacrosse Umpire Association
- Girl Scouts of America

I cannot thank the Maritime Patrol Association enough for their generosity. I am so grateful to have received a scholarship from the Maritime Patrol Association for the 2025-2026 school year. I'm an incoming freshman at Georgetown University planning to study International Politics in the Walsh School of Foreign Service. Being a student at a private university is very costly, but MPA's kindness will help relieve some of this financial burden.

I'm very interested in studying government and national security. Being in a military family, my parents have always encouraged me to think globally. This led me to International Politics. Within my major, I plan to pursue a concentration in International Security, where I'll be taking classes on military studies and foreign policy. I hope to use my degree to one day become a Foreign Service Officer in the Department of State and further America's diplomatic mission abroad. Georgetown has been my dream school since the day I realized I wanted to be an FSO. With WOASF's financial assistance, I will make my dream a reality.
