I am incredibly honored and thankful to be listed as a recipient of a 2025 scholarship award! As a first-generation college student, this recognition is not only a validation of my hard work and perseverance, but also a powerful source of motivation that encourages me to stay focused on pursuing my career and higher education.

Receiving this award significantly alleviates the weight of college expenses, allowing me the freedom to fully focus on both academic success and artistic growth. With a passion for the performing arts and a plan to major in both dance and business administration, I see this scholarship as a reminder to continue refining my skills—on stage and behind the scenes—through creative opportunities like productions, student collaborations, and finding new experiences that will push me as an artist and as a scholar.

Receiving this scholarship is more than just financial aid, it is a reminder that my dreams are worth pursuing. Thank you for investing in my future, your support is helping transform my dreams into reality!
