Major: Animal Science/Pre-Vet

Academic & Extracurricular Highlights:

- National Homor Society, Vice President
- Future Farmers of America
- Student Council
- Varsity Cross Country
- Varsity Golf
- Village Veterinary Volunteer
- First Baptist Church Volunteer

I am honored to have received a Wings Over America Scholarship, and I am incredibly grateful for the donors who have made this opportunity possible. To me, this scholarship is more than just financial assistance, it is an investment in my education, my future, and my goals. My dad's recent retirement from the Navy makes receiving this scholarship even more meaningful. Although a part of a military family, we did not move around often, and we were very fortunate to stay in our rural Oklahoma community. Growing up in rural Oklahoma has allowed me to develop deep roots, a passion for agriculture, and a strong desire to give back to my community. Experiences such as helping raise beef cattle and showing pigs throughout high school have taught me the importance of hard work, dedication, and responsibility.

Receiving this scholarship helps ease the financial burden on myself and my family and allows me to focus on my education and future career. The generosity of the Wings Over America Scholarship Foundation and its donors is helping me take an important step into the future I have dreamed of. Thank you again to the Wings Over America Scholarship Foundation and its donors for investing in students and supporting our futures. I am honored to be a recipient of this scholarship, and I hope I can one day give back to others and make a difference in my community the same way you have done for me.
