- Whitewater Ambassadors Executive Board
- WatKIDSville Volunteer
- Alpha Chi Omega Sorority Member

I am extremely thankful to receive the 2027 Maritime Patrol Association Scholarship. I am currently attending the University of Georgia, majoring in Management Information Systems with a concentration in information security. This support allows me to fully focus on my academic goals while helping to relieve the financial burden of college. It also gives me the opportunity to focus more on my coursework and take advantage of more of the opportunities at UGA.

I am honored to be supported and recognized by the Maritime Patrol Association and its donors, especially as this scholarship helps to recognize the 20 years my dad served in the Navy. Growing up in a military family, I learned the importance of leadership, responsibility, hard work, and discipline. These values have shaped my work ethic and continue to guide me throughout my college experience. Thank you again for investing in my education and future success.
