- Varsity Football, JV Football (Captain)
- JNROTC, PT Executive Officer
- National Honor Society
- Which Wich, part-time employee

As the son of a Naval Aviator, I am proud to receive The Wingman Foundation 2025 scholarship. It will help me reach my educational goals, and at the same time, have a special meaning as the son of a Naval Aviator. The aid provided to me from the scholarship will assist me to pursue my studies in Business Data Analytics at Arizona State University. I understand this award is an honor, and I hope to be an example to others as a military dependent who has shown maturity, resilience, and pride during my ever-changing K-12 years. Knowing that I am supported and trusted by the Wings Over America Scholarship Foundation, as a result of my hard work, gives me a sense of confidence and trust in myself as I take the next step into my future. I am excited to continue on and further my education through the support from Wings Over America Scholarship Foundation and The Wingman Foundation.
