I would like to express my sincere gratitude to the Wings Over America Scholarship Foundation and the selection committee for their generosity as well as recognizing my commitment to my studies. This award provides vital support as I pursue my degree in aerospace engineering at the University of Tennessee-Knoxville, allowing me to focus more fully on my academic and professional goals. I have greatly enjoyed my time in college and the opportunity to continue my education at a higher level. I have learned many lessons that will serve me immensely in my professional career and that will help me to grow as an aspiring engineer. This scholarship represents a vote of confidence that inspires me to work even harder. I am determined to give back to my community with the same spirit of kindness and compassion that you have shown me. Thank you for investing in my future and for your dedication to supporting students like me.
