Major: Psychology (Pre-Med)

Academic & Extracurricular Highlights:

- CCU Honors Program Student Council
- German Club
- Pre-Med Club
- Psychology Research
- Cracker Barrel Old Country Store Hostess
- Supported Higher Education Project Mentor

The 2024 Wings Over America Scholarship allowed me to have an amazing first year at my top choice college, Coastal Carolina University. I'm excelling academically while active in Honors Student Council, Pre-Med Club, Baptist Collegiate Ministry, and German Club.

The 2025 scholarship sponsored by The Wingman Foundation will allow me to continue my studies and pursue opportunities that would otherwise be out of reach. I was selected for a psychology research program this summer, something normally reserved for juniors. The Wings Over America Scholarship means I don't need a summer job and can accept this incredible offer that will improve my chances of getting into medical school. I will also serve as the Vice President of Honors Student Council next year, a commitment I couldn't fulfill if I needed a part-time job during the school year.

I printed out my acceptance letter, and I look at it when my classes feel overwhelming. It reminds me of my life as a military child, making me feel a little closer to my dad despite being 600 miles away. As I chase my dream of becoming a psychiatrist, both Wings Over America Scholarship Foundation and The Wingman Foundation create a connection to my father's naval aviation service that I will cherish forever.
